FROM THE PRINCIPAL:

Parents, I want to thank you for making this a great year. I have so appreciated your support, your prayers, your suggestions, and the warm welcome I have received from our HSCA family during my first year as principal. You have been a great blessing. Thank you!

If you have questions through the summer, please contact me. I will be teaching in New Zealand, so I will be away from June 15 – July 18. However, I will have email access (rdmcelwain@hotmail.com) while I am there, and the school secretary will be able to reach me. So, let me know if there is anything I can do to help.

Again, thank you for a great year. I look forward to what God is going to do for us in 2008 – 2009.

Help Wanted – We have several big renovation projects this summer in preparation for next year. If you have a talent for construction, remodeling, drywall, etc., etc, and would be willing to volunteer some time this summer, please let me know. We need you!

Please Watch Your Mail – Within the next 2 weeks, you should receive information about our new tuition management program for next year. We are trying to institute a program that will simplify the process of handling tuition – both for the school and for our parents. Please don't put this letter in junk mail - we need your response. We are waiting for the forms and will get them to you right away.

Edline - We are also adding an "Edline" program in the fall which will greatly improve our ability to communicate with you. You will be able to check assignments online and you will have immediate access to grades. I think you will find this program to be very beneficial. We will have more information at Open House. Don't miss it!

Uniforms Available – In the Academy Office are used uniforms that can be purchased for \$3.00 per garment. Most of these items are for young children. If you have any nice, clean uniforms that you wish to donate, bring them to the office.

New Enrollment - We are now enrolling students for K4 through 12th grade. If you know families who would benefit from the quality Christian education offered by Hobe Sound Christian Academy, please bring them to see me. I would love to introduce them to our school.

School Resumes – The new school year starts on August 18th at 8:00 AM. It is a half day of school; dismissal will be at 11:30 AM.
